Capital Letters

Good day to everyone! 😊

Today we are going to practise Capital Letters. You will need a folio, pencil, ruler and eraser. Write down the date and on the next line you write **Capital Letters**. Draw a neat line under your heading. Refer to page 61 in your text book and neatly complete numbers 1-4.

Just a reminder that the answers for number 1 is on p58.

Remember to write neatly and to do your best! 😊 We are proud of you!!
