Make a mind map summary

Good day to everyone!

We are going to read a passage on p 62 of your textbook. Then we shall complete a mind map summary. You will need a folio, pencil, ruler and eraser. The framework for your mind map is on p 63.

Just a few reminders:

You may print (los skryf)
Spread your mind map out across your page
You do not have to copy the 3 little pictures
Only write keywords
Make use of colour
You may rotate your page

Give your best and make us proud!
