You are going to play a game today while getting some reading exercise!! Refer to page 69 in your text book. Read the text ***Theseus and the Minotaur***.

Prepare a folio with the date at the top, ***Theseus and the Minotaur*** on the next line and a neat line underneath.

Leave a line open after your line and neatly number down from 1-10. Draw a line underneath.

Now we are ready for some searching fun!! Read the clues and find the words in the text.
