

it'S SECON★D TERM P. 86

1. Look at the picture and talk about what you see.

I see the children walking into the classroom who are very happy to see their friends again after a very nice holiday. There are two boys who embrace each other and are glad to see each other. The girl in front looks like she wants to hug her teacher and is glad to see her again.

2. Read the words and listen to the sounds.

3. Use 5 of these words to write your own sentences in your exercise book.

4. Read the story and the timetable, look at the picture and then answer these questions.

- What poster can you see on the wall?

Save the Rhino, Save Water Please and the Grade 4 timetable.

- What sports can you play on Monday?

You can play netball and soccer on a Monday afternoon.

- When does the gardening club meet?

The gardening club meets on a Thursday afternoon at 15:00pm.

- Can you sing in the choir and do first aid as well? Why/why not?

No, you cannot sing in the choir and do first aid, because both of them are in the same time slot.

- What activities happen outside of the school?

Swimming, athletics and the Computer Club.

- When does more than one activity take place in the school hall at the same time?

Choir practice and first aid training.

- What activity takes place on Saturday? Why do you think this happens on the weekend?

Computer Club, because some of the learners are involved in other sports activities during the week.
