

OUR BUSY WEEK p. 88

Let's read

1. Read the poster.
2. What information does it give?

The poster gives us information about fun after-school sports activities offered by the school.

3. Look at the different sizes of the fonts.

The poster contains different fonts and colours, because it must draw your attention when you read the poster. Just think if the whole poster was just one colour: would it have caught your attention to read? No.

Let's talk

4. What activities do you have at school?
5. Do you have any activities outside school?
6. What activities would you like to do?

Fill in the timetable to show what you do after school.

Each of your answers will be different. In this table, you have to fill in all your activities after school under the right headings. You can also use the activities even if they are not offered by the school.

Fill in the timetable to show what you do after school.

Let's write

Day	Time	Activity	Place
Monday			
Tuesday			
Wednesday			
Thursday			
Friday

POSTER OF MY ACTIVITIES p. 89

1. Make a poster to advertise one of the activities that you do after school.
2. Give all the important information, including **when**, **where** and at **what time**.
3. Draw a picture to attract attention.
4. Use interesting handwriting. (Funky font)
5. You may use fineliners and any colour pen. Just make sure it doesn't show through the paper.
6. Enjoy the activity.
